

# Trinity Men's Ministry Mission

- Our mission is to provide a forum for men of ages 18 and above for sharing, fellowship, learning and outreach services that follows the mandate of Christ.

## What we do:

- The group shares experience, testimony and talent to help support the spiritual and educational needs of men. We provide a warm and friendly fellowship for men to feel comfortable, welcome and willing to relax, be themselves and have fun with Christian men of like minds. We also provide a forum for Christian service to our congregation and the community by providing and serving food and clothing to the needy and conducting mentoring activities for youth and children. We are some of God's good men seeking to join the kingdom of God by putting feet on our faith.
